

Saint John the Beloved Council 11796

Outstanding Service Award

Joseph Mahoney

It is with great pleasure as Grand Knight to have the honor of conferring our Council's Outstanding Service Award on a Worthy Brother Knight. He has shown his excellent leadership over many years as Director of our various car parking programs at the University of Delaware, at our Parish Carnival and during the holiday seasons at Church services.

Joe has served as Director of our Car Parking Fundraiser Program at the University of Delaware for the last 17 years. This Council program, between our Council and the University of Delaware, covers many events, including numerous Basketball games, Football games, Commencements, Move in Days, and even a Lacrosse Tournament.

Joe began by running the basketball game parking events in 2001, then added on football game parking events in 2005. Joe has been directly responsible for organizing the parking team for all these events since that time and is the single point liaison for our Council with the University of Delaware and with LAZ Parking company. Over these many years, he has taken the many twists and turns thrown at him and his team in stride, with a 100% success rate.

Our Council Parking Program led by Joe Mahoney has raised a cumulative total of \$39,700! That is truly an amazing accomplishment.

From all your Council Brothers, thank you Brother Joe for a job very well done!

Presented on this 5th day of December 2018

Joseph E. Koskol
Grand Knight
